

# Your Success IS OUR GOAL

Nearly 30 years ago, First Nonprofit (FNP) set out on its mission to fix a major problem impacting 501(c)(3) nonprofit organizations: These employers were forced to choose between paying the overpriced State Unemployment Insurance (SUI) tax for this mandatory insurance cost and exposing their organization to unforeseen risk by self-insuring (reimbursing) their unemployment claims. To address this, FNP designed programs that allow 501(c)(3) nonprofits to take advantage of the savings that comes with reimbursement financing while minimizing risk.

#### **FNP program Ohio customer success include:**

- Nearly \$2 million saved on Ohio SUI taxes (FNP programs can help your nonprofit save up to 40%!)
- Our claims administration partner helped remove over \$1.1 million in unemployment claim liability from our Ohio customers in 2020-2021 alone
- FNP programs have over a 95% customer retention rate

FNP program benefits include:

- Insurance coverage
- Budgetary certainty with a fixed, annual unemployment cost and flexible payment plans
- Posting of state mandated collateral & surety bonds
- Reimbursement payments to state unemployment agencies

The following solutions to various aspects of an employee's life cycle are also included:

- Live HR consultants and continuing education
- Unemployment claims management, hearing representation & auditing
- Recruiting tools: job description builder, benefit document creator, salary comparisons, etc.
- Discounted background services
